

Kako koristiti USB telefon i zvučnike u isto vrijeme?

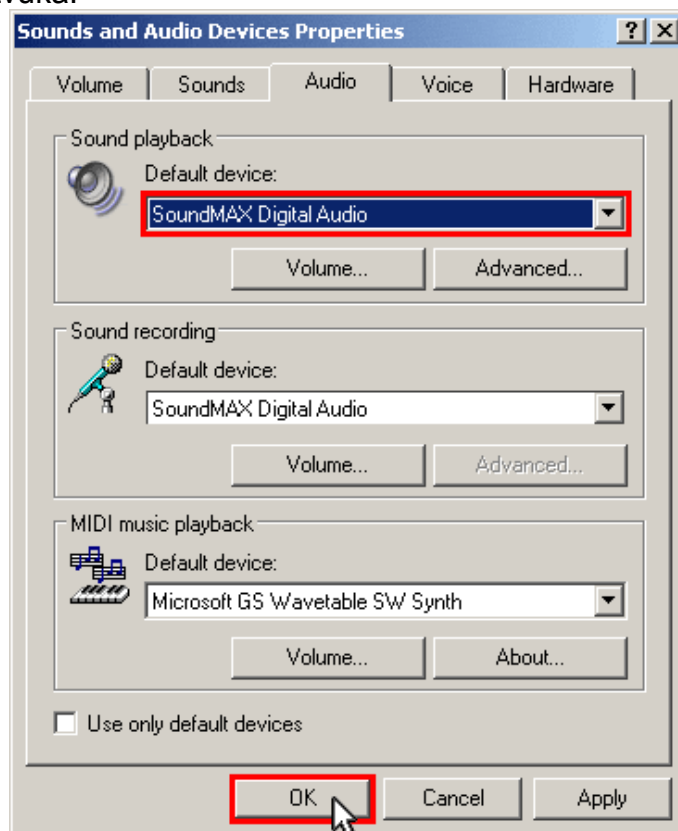

1. Pritisnite **Windows Start**, i zatim **Control Panel**.

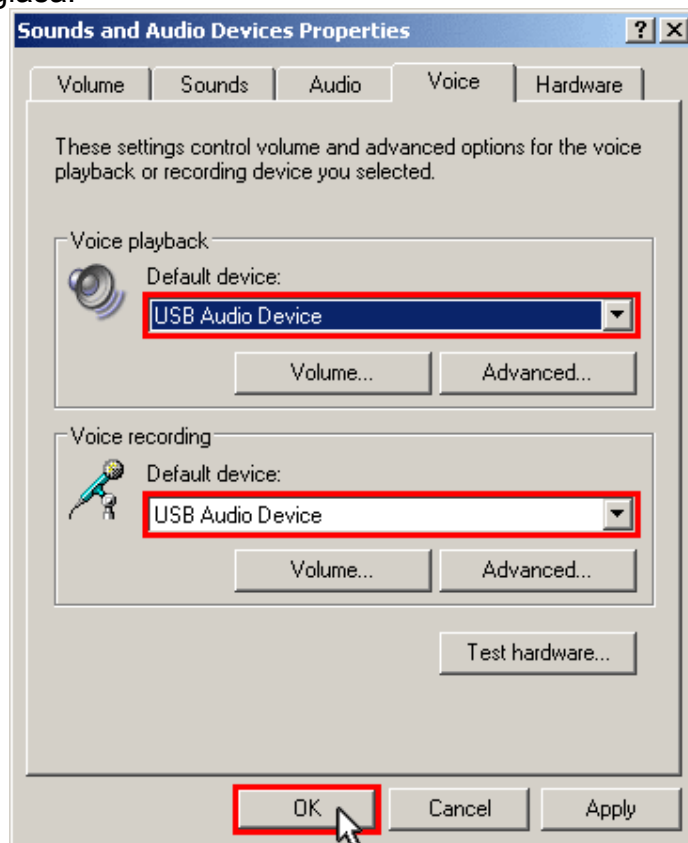

2. Dva puta kliknite na **Sounds and Audio Devices**

3. Kliknite na **Audio** tab, i odaberite vašu zvučnu karticu kao primarnu (default) za reprodukciju zvuka.

4. Odaberite **Voice** tab i odaberite **USB audio uređaj** kao primarni (default) za reprodukciju glasa.

Skype konfiguracija

5. Dva puta kliknite na **Skype** ikonu u sistemskoj traci.
6. Odaberite **Tools** i zatim **Options**.
7. Kliknite na **Sound Devices**, i pobrinite se da je **USB Audio Device** odabran i za **Audio In** i **Audio Out**.
